

CURRICULUM VITAE of Dr. Elena Georgopoulou

1. Personal data

PLACE/DATE OF BIRTH: Athens, 1966
NATIONALITY: Greek
TITLE: Dr. Chemical Engineering – MSc. Environmental Management
ADDRESS: Raideitou 70, Nea Smirni, 17122 Athens Greece
TELEPHONE: +30-210-8109215 (office), +30-210 9358097 (home), +30-6944 659620 (mobile)
e-mail: elenag@noa.gr

2. Employment – Professional experience

2000 – to date: Initially Junior Researcher (February 2000 – June 2003), then Assistant Researcher (June 2003 – March 2008), and since March 2008 Senior Researcher at the Institute of Environmental Research and Sustainable Development of the National Observatory of Athens (NOA).

Research undertaken on: Assessment of climate change impacts and adaptation measures; Environmental and economic assessment of policies and measures for the reduction of GHG emissions; Development of scenarios on energy demand, industrial production, waste generation and environmental burdens from anthropogenic activities; Integration of renewables and energy conservation in energy planning; Economic instruments for the exploitation of renewables and energy conservation; Methodologies for developing inventories of greenhouse gases emissions and emissions of other air pollutants; Flexible mechanisms of the Kyoto Protocol; Assessment of environmental and economic impacts from the introduction of BATs in industry; Cost-benefit analyses; Assessment of externalities.

- 1997 - 1999:** External collaborator of NOA (compilation of GHG and other air emissions inventories, application and enforcement of environmental legislation, and economic evaluation of alternative water management strategies at regional level).
- 1992 - 1997:** External collaborator of the Laboratory of Industrial and Energy Economics, Dpt. of Chemical Engineering at the National Technical University of Athens-NTUA (exploitation of renewable energies at regional and local level).
- 1994 - 1993:** External collaborator of Greek private consulting companies (solid waste management, wastewater treatment, regional energy planning and economic development).
- 1991 - 1992:** External collaborator of NTUA (assessment of the economic viability of industrial activities in industrial areas).

3. Education

- 1998:** Ph.D. in Chemical Engineering, National Technical University of Athens (NTUA) - Greece. Title of thesis: "Energy planning focusing on the development of renewable energies at regional level"
- 1995:** MSc. in Environmental Management, European Association for Environmental Management Education (EAEME) - Ecole Polytechnique Fédérale de Lausanne (EPFL). Title of thesis: "Environmental Evaluation of Alternative Strategies in Electricity Generation: The Case of Renewable Energy Option" (Distinction)
- 1989:** BSc. in Chemical Engineering, National Technical University of Athens

4. Languages

English: Fluently (Cambridge Proficiency), French: Fluently (Diplôme d' Études Supérieures), Spanish: Very Good (Nivel Superior)

5. Computer Literate

- ☞ Evaluation of climate change impacts and management options in agriculture (DSSAT, VINELOGIC)
- ☞ Risk Assessment (RISK)
- ☞ Optimization of electricity generation systems (WASP)
- ☞ Modelling of linear, non-linear and mixed integer optimisation problems (GAMS)
- ☞ Statistical analysis (SPSS)
- ☞ Future climatic scenarios (CORDEX, NetCDF, CDO software)
- ☞ Modelling, evaluation and optimisation of integrated processes in industries, including environmental assessment (SuperPro Designer)
- ☞ Assessment of alternative options utilizing multicriteria decision-aid (ELECTRE I-IV, ELECTRE TRI, PROMETHEE, MACBETH).

6. Representation of Greece in International Organizations

- ☞ From 2010, acting as the IPCC Focal Point in Greece.
- ☞ Member of the Greek Delegation (1999-2007) to the regular meetings of SB and SBSTA of the UNFCCC and the Conference of the Parties (COPs), providing technical consultancy on reporting/accounting and the KP flexible mechanisms.
- ☞ Member of the Greek Delegation (2003-2007) to Working Group 3 of the European Commission on issues related to EU Emissions Trading and the Kyoto Protocol Flexible mechanisms.
- ☞ Member of the Greek Delegation (1999-2007) to the regular meetings of the Working Party on International Environment/Climate Change (WPIE/CC) of the Council of the European Union.

- ✉ Technical consultant (1999-2007) to the regular meetings of: a) the EU Expert Groups on Reporting / Accounting, KP Flexible Mechanisms, and Further Action/ WPIE/CC of the Council of the European Union, b) the Annex I countries of OECD.

7. Participation in International Organizations as technical expert

- ✉ Lead Author of the 6th IPCC Assessment Report (Working Group II: Impacts, Adaptation, and Vulnerability/ Chapter 13: Europe (to be published in 2021).
- ✉ Lead Author of the 5th IPCC Assessment Report (Working Group II: Impacts, Adaptation, and Vulnerability/ Chapter 23: Europe – responsible for energy, industry, transport, and tourism) – published in 2014.
- ✉ Expert Reviewer of the IPCC Special Report on Global Warming of 1.5 °C (to be finalized at the end of 2018).
- ✉ Expert Reviewer of the 4th IPCC Assessment Report (Working Group III: Mitigation) – published in 2014
- ✉ Participation, at the invitation of the European Commission, in the review process of the last three calls of Horizon 2020 of DG-RESEARCH regarding climate services.

8. Participation in research projects

As project leader

1. "South East Europe Energy Transition Dialogue (EUKI)". Source of funding: Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH, Undertaken by: Smart Energy for Europe Platform (SEFEP) gGmbH/ Agora Energiewende (project leader), Energy Policy Group (EPG)-Romania, International Centre for Sustainable Development of Energy, Water and Environment Systems -SDEWES Centre-Croatia, Center for the Study of Democracy-Bulgaria, National Observatory of Athens/Institute for Environmental Research and Sustainable Development-Greece. Duration: 1/2018-2/2020, Budget: 720,000 € (NOA: 89,960€).
2. "Low Carbon South East Europe (LOCSEE)". Co-funded by the Transnational South East Europe (SEE) Programme (project code: SEE/D/0166/2.4/X). Undertaken by: European Academy Bolzano (EURAC) – Italy [Project leader], Ministry of Agriculture and Environment (MKO) – Slovenia, National Observatory of Athens (NOA) – Greece, Joanneum Research (JR) – Austria, Regional Environmental Center (REC) – Hungary, Corvinus University of Budapest (BCE-REKK) – Hungary, Ministry of Environmental and Nature Protection – Croatia, Ministry of Sustainable Development and Tourism – Montenegro, Ministry of Environment, Forests and Water administration – Albania, Ministry of Energy, Development and Environmental Protection – Serbia, Ministry of Environment and Physical Planning – FYROM. Duration: 10/2012 – 9/2014, Budget: 1,515,451€ (NOA: 147,282€).
3. "Support Actions for the fulfilment of national commitments under the UNFCCC and the Kyoto Protocol". Source of funding: Greek Ministry for the Environment, Physical Planning and Public Works within the 3rd Community Support Framework – Operational Programme "Environment", Undertaken by: National Observatory of Athens, Duration: 2003 – 2007, Budget: 748,800 €.
4. "Support Actions for the national implementation of the EU Directive on Emissions Trading and the monitoring of measures for the reduction of GHG emissions from the energy sector". Source of funding: Greek Ministry for Development within the 3rd Community Support Framework – Operational Programme "Competitiveness", Undertaken by: National Observatory of Athens, EPEM S.A., LDK Ltd, KPMG Kyriacou Certified Auditors S.A., Duration: 2003 – 2007, Budget: 1,209,500 € (NOA: 580,560 €).
5. "Decision Aid Framework for the assessment of impacts from the introduction of Best Available Techniques in industry (DAF-BAT)". Source of funding: Greek General Secretariat for Research and Technology within the 3rd Community Support Framework – Operational Programme "Competitiveness", Undertaken by: National Observatory of Athens, EPEM S.A., LDK Ltd, Duration: 2003 – 2006, Budget: 1,827,700 € (NOA: 598,110).
6. "Initiative on the assessment of climate change impacts in African developing countries". Source of funding: Greek Ministry of Foreign Affairs - Greek Ministry for the Environment, Physical Planning and Public Works, Undertaken by: National Observatory of Athens, Duration: 2003 – 2004, Budget: 125,000 €.
7. "Formulation of the National Action Plan of Cyprus for the limitation of greenhouse gases emissions according to the requirements of the UNFCCC and the Kyoto Protocol". Source of funding: Ministry for Agriculture, Natural Resources and the Environment of Cyprus, Undertaken by: National Observatory of Athens, Duration: January 2001 – March 2002, Budget: 73,500 €
8. "Capacity building for climate change related activities in Federal Republic of Yugoslavia ". Source of funding: Greek Ministry for the Environment, Physical Planning and Public Works, Undertaken by: National Observatory of Athens, Duration: 2001 – 2002, Budget: 190,755 €.
9. "Capacity building for climate change related activities in Bulgaria". Source of funding: Greek Ministry for the Environment, Physical Planning and Public Works, Undertaken by: National Observatory of Athens, Duration: 2001 – 2002, Budget: 199,559 €.

As a member of the research team (indicative list)

1. "Lignite Phase Out – Long term energy planning scenarios for the Greek power generation system". Source of funding: WWF Hellas, Duration: 2016 – 2017.
2. "Financial Institutions: Preparing the Market for Adapting to Climate Change (ClimaBiz)" Source of funding: DG Environment/ LIFE+ 2008, Contract Nr. LIFE08 ENV/GR/00052. Undertaken by: Piraeus Bank S.A., Face3ts S.A., WWF Greece. Duration: 2010 – 2012. (Note: within the framework of Green Awards, ClimaBiz was selected as one of the 15 most outstanding LIFE projects, out of a total of 4,300 projects

- implemented in the last 25 years (1992-2017), and as one of the 5 most outstanding LIFE projects on climate change. It was also one of the best 21 LIFE Environment projects for 2013. ClimaBiz was the first full-scale application of climate change adaptation by a financial institution in Greece).
3. "Energy model adjustment for the calculation of GHG emissions from energy and estimation of the technical potential of GHG emission reductions". Source of funding: Centre for Renewable Energy Sources (KAPE/CRES). Undertaken by: National Observatory of Athens, Duration: 2011 – 2012.
 4. "Simulation of the Greek energy system for the estimation of the energy conservation potential". Source of funding: Centre for Renewable Energy Sources (KAPE/CRES). Undertaken by: National Observatory of Athens, Duration: 2011 – 2012.
 5. "Support for the free allocation of GHG emission credits to installations during the period 2013-2020 with the framework of the EU-ETS". Source of funding: Ministry for Energy, Environment and Climate Change. Undertaken by: National Observatory of Athens, Duration: 2012.
 6. "Forecasting Energy Production from Wind Farms in Greece", Source of funding: Regulatory Authority of the Greek Electricity Transmission
 7. "Estimation of the economic and social impacts of solid waste management". Source of funding: Institute of Local Administration, Duration: 2006-2007.
 8. "Tools for sustainability: development and application of an integrated framework (SusTools)". Source of funding: DG Research of the European Commission within the framework of EESD-ESD-3 ("Environment and Sustainable Development"), Undertaken by: ARMINES (France), University of Bath (UK), NTUA (Greece), VITO (Belgium), EAIR (Germany), Duration: 2003 – 2004.
 9. «Externalities of Energy: Extension of accounting framework and policy applications (ExternE-Pol)», Source of funding: DG Research of the European Commission within the framework of EESD-ESD-3 ("Environment and Sustainable Development"), Undertaken by: ARMINES (Γαλλία), ΕΜΠ (Greece), VITO (Belgium), EAIR (Γερμανία), Duration: 2002 – 2004.
 10. "Evaluating, monitoring and strengthening the environmental dimension of the Operational Program for Competitiveness". Source of funding: Greek Ministry for Development within the 3rd Community Support Framework – Operational Programme "Competitiveness", Undertaken by: National Observatory of Athens, Duration: 2003.
 11. "The effects of environmental constraints in the electricity generation sector". Source of funding: Greek Public Power Corporation, Undertaken by: National Observatory of Athens, Duration: 2002 – 2003.
 12. "Capacity building for climate change related activities in Romania". Source of funding: Greek Ministry for the Environment, Physical Planning and Public Works, Undertaken by: National Observatory of Athens, Duration: 2001 – 2002.
 13. "Capacity building for climate change related activities in Albania". Source of funding: Greek Ministry for the Environment, Physical Planning and Public Works, Undertaken by: National Observatory of Athens, Duration: 2001 – 2002.
 14. "Capacity building for climate change related activities in Bosnia - Herzegovina", Source of funding: Greek Ministry for the Environment, Physical Planning and Public Works, Undertaken by: National Observatory of Athens, Duration: 2001 – 2002.
 15. "Capacity building for climate change related activities in FYROM". Source of funding: Greek Ministry for the Environment, Physical Planning and Public Works, Undertaken by: National Observatory of Athens, Duration: 2001 – 2002.
 16. "Planning of Support Policies and Measures for the Limitation of CO2 Emissions in the Residential – Tertiary Sector". Source of funding: Greek Ministry for the Environment, Physical Planning and Public Works, Undertaken by: National Observatory of Athens, Duration: 2002.
 17. "2nd National Programme for the reduction of greenhouse gases in Greece during 2000-2010". Source of funding: Greek Ministry for the Environment, Physical Planning and Public Works, Undertaken by: National Observatory of Athens, Duration: 2001 – 2002.
 18. "Facilitating the Kyoto Protocol Objectives by the Clean Development Mechanism in Small Island Developing States - CDMSIDS Project". Source of funding: European Commission / DG Environment, Undertaken by: Instituto Superior Técnico (IST), National Observatory of Athens (NOA), Secretariado Executivo Para o Ambiente (SEPA), CEA (Cape Verde), Duration: 2001.
 19. "Inventory of air emissions, solid and liquid wastes from industry and air emissions from central heating installations", Source of funding: Greek Ministry for the Environment, Physical Planning and Public Works, Undertaken by: Consortium "LDK Ltd., EPEM S.A., ENVECO S.A., SIVILA Ltd., EXERGIA S.A.", National Observatory of Athens (Technical Consultant), National Technical University of Athens (Technical Consultant), Duration: 2000 – 2001.
 20. "Climate Change". Source of funding: Greek Ministry for the Environment, Physical Planning and Public Works, Undertaken by: National Observatory of Athens, Duration: 1998 – 2002.
 21. "Optimal integration of environmental requirements, deriving from the Kyoto Protocol, in national energy planning for the next decade", Source of funding: Greek Ministry for Development, Undertaken by: National Observatory of Athens, Duration: 1999 – 2000.
 22. "Utilization of Groundwater Desalination & Wastewater Reuse in the Water Supply of Seasonally-Stressed Regions (WASSER)". Source of funding: DG XII of the European Commission within the framework of the ENVIRONMENT program, undertaken by: National Observatory of Athens, the Kungl Tekniska Hogskolan University (Sweden), the Universidad de Las Palmas de Gran Canaria and the Universidad de Malaga (Spain), Tahal Consulting Engineers Ltd (Israel), Hellenic Center for Maritime Research (EKΘΕ) and the Ministry for Agriculture of Cyprus, Duration: 1998 – 2001.

9. Other professional activities

- Reviewer in scientific journals (Energy Policy, European Journal of Operational Research (EJOR), Journal of Environmental Management, Journal of Cleaner Production, Computers & Industrial Engineering, Sustainability)
- Member of the Executive Board of the National Centre for Environment and Sustainable Development (ΕΚΠΑΑ) during 2010-2011; Member of the Hellenic Association of Chemical Engineers; Member of the EURO Working Group Multicriteria Decision Aiding; Member of the Hellenic Solid Waste Management Association; Member of the Hellenic Association of Researchers.

10. Publications in peer-reviewed journals and books

1. Georgopoulou, E., Mirasgedis, S., Sarafidis, Y., Vitaliotou, M., Lalas, D.P., Theloudis, I., Giannoulaki, K.-D., Dimopoulos, D., Zavras, V., 2017: *Climate change impacts and adaptation options for the Greek agriculture in 2021–2050: A monetary assessment*. Climate Risk Management 16, 164-182.
2. Gaglias, A., Mirasgedis, S., Tourkolias, C., Georgopoulou, E., 2016: *Implementing the Contingent Valuation Method for supporting decision making in the waste management sector*. Waste Management 53, 237-244.
3. Georgopoulou, E., Mirasgedis, S., Sarafidis, Y., Hontou, V., Gakis, N., Lalas, D., Xenoyianni, F., Kakavoulis, N., Dimopoulos, D., Zavras, V., 2015: *A methodological framework and tool for assessing the climate change related risks in the banking sector*. Journal of Environmental Planning and Management 58(5), 874-897.
4. Georgopoulou, E., Mirasgedis, S., Sarafidis, Y., Gakis, N., Hontou, V., Lalas, D. P., Steiner, D., Tuerk, A., Fruhmann, C., Pucker, J., 2015: *Lessons learnt from a sectoral analysis of greenhouse gas mitigation potential in the Balkans*. Energy 92, 577-591.
